

Remember: this site contains lots of LINKWARE graphics, meaning that they are free to use on personal websites (commercial sites please refer to the "[Services](#)" page) BUT please provide a link back to <http://www.4yeo.com/> **directly from**

the page where you used our graphics. To do so, use one of [our buttons](#).

All the sites that set a link back to us will be included in the ["4YEO friends"](#) list. Just let us [know](#) your URL after having added a link back to 4YEO where credit is due.

No images from this site can be included in collections of any form without written permission. Please, upload the images to your own server and do not link directly to these files.

All site content is intended for personal use only; commercial sites please refer to the ["Services"](#) menu. Thanks.
